

SAY AND DOT

Activity

Let's help Tom the Turkey get to the thanksgiving feast!

Materials:

- Dot marker
- Die
- Tokens for each player (optional)

Options for Board:

- Use this board to target /s/ blends at the word level, placing a dot on each "target" word as you go!
- For increased difficulty, use the board to target /s/ blends at the sentence level. Have the child use the "target" word in a sentence.
- Play against others to see who gets to the feast first! Shake the die and look at the number you rolled. Move the appropriate number of spaces, saying each "target" word as you pass by. First one to finish must say, "Happy Thanksgiving!"
